

Our Top 5 Waterside Motorhome Pitches

I don't know about you, but there is just something about going sleep and hearing the sea splashing around metres away from where you lay, I really can't think of a more relaxing way to drift off into slumber. And generally where there is water, there is also wonderful sunrise or sunsets- opening the blinds of our motorhome first thing in the morning and being able to enjoy the rays rising from the horizon is my favourite way to wake up! Its no surprise then that given half a chance, we will always point Bluebell the motorhome towards the waters edge. Here's 5 of our favourite sites – some wild camping
